

REASONS WHY
YOU SHOULD
WORK CLOSELY
WITH YOUR
ACCOUNTANT

PAYING TOO MUCH TAX?

Be sure to check that you are making full use of your tax allowances and to see if you're also entitled to any tax relief

COMPLEX TAX AFFAIRS?

Things can all too easily get ‘a bit on top’ for a business owner who does their own taxes. A good accountant should be able to intervene and sort them out with ease, saving you time, money and effort in the long run.

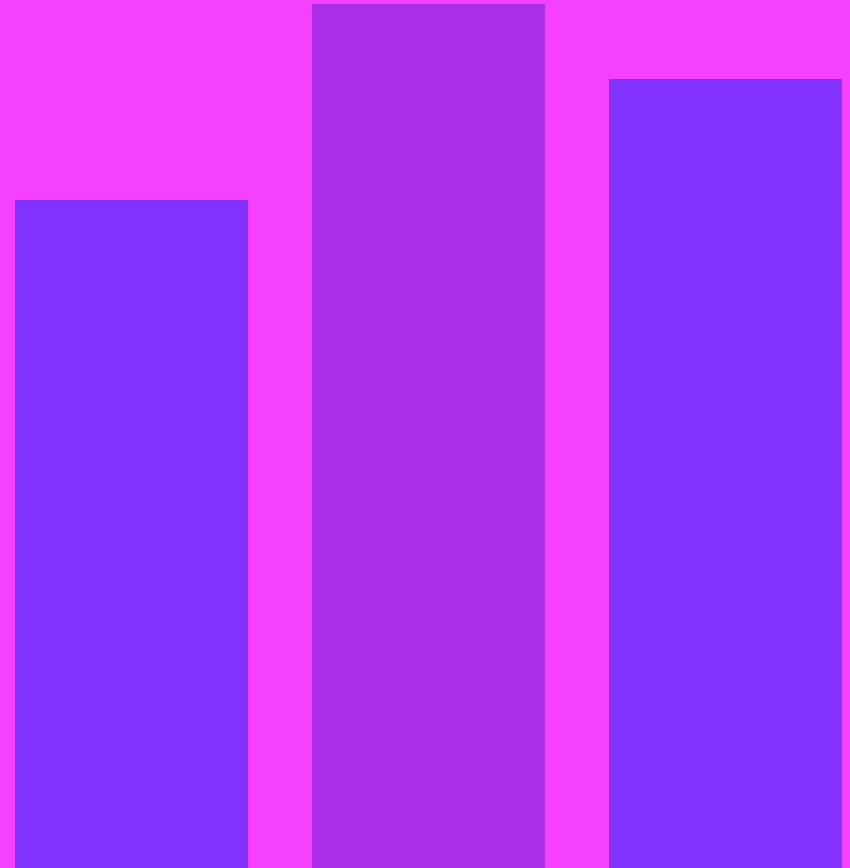

WANT TO GROW YOUR BUSINESS?

A good accountant can help you structure your business more efficiently by offering advice and guidance, helping you take your business to the next level.

NEED SOME MANAGEMENT ADVICE?

When business is going well you want it to keep going that way. You would be surprised how much an experienced accountant can help with issues like working capital, invoicing and stock control.

WANT TO RAISE SOME CAPITAL?

Once you hire an accountant they become the best person to turn to when seeking additional finance.

WANT TO EMPLOY STAFF?

Accountants can help you with payroll as well as making you aware of regulations that employers need to adhere to.

WANT TO MAKE A CHANGE?

If you want go from
being a sole trader
to ltd company for
example...

then your best bet
is to talk to an
accountant.

NOT SURE YOUR ACCOUNTANT IS RIGHT FOR YOU?

Unfortunately not all accountants are good for you and your needs. If you feel like you want to switch then get in touch and we can help find a new one.
